Julie – Here is the link for the clean FR notice for routing:

Ex. 6 Personal Privacy (PP)

I found a few more rogue instances of “the EPA”, but please note that “the EPA Reading Room” and “the EPA Docket Center” should retain the “the.” Say that five times fast.

Julie – Per our discussion, Rosemary will follow-up with you shortly with a clean copy of the Federal Register notice that we want you to route as soon as possible. Once you receive it please place it in the WSRS correspondence folder of our branch sharepoint site and note the information below. Please note that you’ll need to include the filename and sharepoint location in the table below. If you have any questions please let me know. Tom
